Thank you so very much for baking these wonderful and yummy Chewy Flourless treats. I love the peanut butter brownies and the other brownies as well. Just wanted to let you know how happy we are and to keep up the wonderful new products that help to keep us healthy and unprocessed goodies.

I just had 2 bags of Kez's Kitchen "I'M DREAMING OF A WHITE CHOCOLATE & SALTED CARAMEL BITE" Baked Bikkie Bites and I'm telling you now these will probably be some of the best "Bikkies" you will ever have. They are absolutely delicious :). thank you and I hope you all have a beautiful 2020.

First tried them on a Qantas flight last week. Kids absolutely demolished the honey and choc chip bites and then hammered mine - crumbs and all. Noticed that they are exclusive to Qantas but available online and have just purchased - would be awesome if they can be made available at the supermarket in future.
